

Re-copy Interviews From CAT

Re-copying will be used when validating your interviews were copied to the removable drive. If any audited interviews are missing from the removable drive, follow the steps below for re-copying the interviews. If the interview is currently failed you can follow step 1 then skip down to step 4.

- 1) Open CAT using your desktop shortcut
- 2) Select the interview you need to re-copy from the center UI
- 3) Once the interview is selected you can click the re-copy button at the bottom of the list

The screenshot shows the CAT interface with a table of interviews and a details panel on the right. The table has columns: Progress, Date Loaded, Interview Date, Interview Folder Name, Interviewer, Interviewee, and First Ancestor. The details panel on the right lists various actions: Select Interview File, Audit Interview Files, Audit Metadata File, Select Pedigree File, Identify First Ancestor and Interviewee, Audit Pedigree Data, Check for Duplicates, Update Metadata File, Request Payment, Copy Interview Files to External Drive, and Records Operations Center Audit. The 'Re-copy' button is highlighted in the details panel.
